Lesson Steps

- Read *Pigs Will Be Pigs* by Amy Axelrod.
- Discuss the Enchanted Enchilada's menu. Talk about what items are on a menu and price values for items.
- Open and display the template menu.kia.
- Demonstrate how to add symbols to each menu category.
- Demonstrate how to type in a name and price value for each menu item.
- Demonstrate the eraser, undo, and student name tools.
- Help the students print out their finished menus.

Extension Ideas

- Have students write story problems to go along with their menus. Then, allow them to trade menus and work the problems.
- Bring in real menus from local restaurants for students to examine.
